CONTESTANTS SPEAK IN ENTHUSIASTIC ASSEMBLY—DISCUSS RED CROSS CLASS

The regular weekly assembly which was held yesterday during the second period was quite replete with enthusiasm owing to the fact that such variety was shown in the program. When the curtain was raised the audience was permitted to look upon the countenances of the four rivals of the Oratorical contest for the first time (i. e. all together). They were each one sitting beside another member of the same class, who was to act as their champion. Ed Seay was the first to speak in this capacity, and he even went so far as to admit that the Seniors would win the Contest. Ed then introduced Harold Venske, the senior representative, who gave a short and modest speech.

The remaining three speeches were given by the lower classes in their order of decension. Milton Brown had a good word to say for his candidate, and the latter, Harland Durand, even improved upon it in a very appropriate little spiel. Frank Balthis, the Sophomore orator, was championed by David Johnston, and between the two a very fine speech was made. Last but not least came the Freshmen, Guy Bennett, who is the president of that illustrious class, introduced, as he said, the future southern California champion of oratory, Olive Taylor. Although quite bashful she succeeded wonderfully in convincing her listeners who will win the coming contest.

The next ten minutes of the meeting were taken up by announcements. Mr. Moyse reported the action taken by the School Board Thursday in regard to the boys who are enlisting in the army and navy. They passed a resolution whereby all Seniors, who enlist in either branch of service, shall receive their diplomas in June, providing all of their school work is up to the requirements when they leave. Other announcements were then made, after which Ed Seay gave a short talk concerning the joint 'get together' assembly held at Pasadena Tuesday. The remainder of the meeting was turned over to the singing of patriotic songs.

A recent movement has been made by the girls of the school in an effort to establish either a First Aid or a Red Cross society. They propose to train several times a week, and if needed, will volunteer for service in either the army or the navy. A petition asking the Board to consider the proposition has been passed around, and already almost two hundred girls have attached their signatures to the document. Hats off to the girls of Glendale High.

The course in "First Aid" will be open to visitors at University of Southern California at 2:10 Tuesday and Thursday. They are in hopes of getting a Red Cross physician to take charge. When the course is finished those that wish to take an examination and pass will be given a certificate.

RED CROSS CLASSES

Arrangements are being made for classes in home nursing and first aid. The instruction in first aid can be given without cost but does not entitle the one taking it to a certificate. The instruction in home nursing is to be given under a registered Red Cross instructor and the charge will be $6 for the course of 15 lessons. This gives the one taking the course a certificate from the Bureau of Nursing Service at Washington, D. C. and registers one as a nurses' aid. This registration places the person subject to call at any of the base hospitals upon the coast. This however is not obligatory, and they may go or not as they please. Application should be made by those desiring to join the classes to Mrs. C. E. Hutchinson, (Sunset phone 607 J) as soon as possible, as the local Red Cross is anxious to form the first class next week.

GARDEN SOCIETY

The next meeting of the Glendale Garden Society will be held Thursday, April 19, in the library of the Third Str. school, at 8 o'clock. Refreshments will be served, and a social time will prevail. The visiting committee will have an interesting report to make.

All members and friends are urged to be present on this occasion as important steps will be taken in connection with raising crops on vacant lots and arranging for juvenile markets.

NEW ENTERPRISE

CHILDREN'S VEGETABLE MARKETS ENDORSED BY SCHOOL TRUSTEES

Mrs. Chas. H. Toll, chairman of the Board of School Trustees writes as follows to Mrs. Nanno Woods, President of the Glendale Garden Society.

"I think your plan of juvenile markets is a very fine one. If followed out as you plan, it will be productive of great good to the community, and especially to the child in inculcating thrift, the making the most of opportunity and brawn, thought for the public welfare—besides a great many other fine things. It should receive rousing support from everyone.

"I am happy to tell you that you Board unanimously and gladly granted your request for the use of the school ground you desire at the times you desire them. The only proviso they made (and I feel sure that it is scarcely necessary to mention it, as your young people are always so carefully guided and chaperoned on all occasions) was, that there should always be some responsible member of the Garden Society in charge.

"With every good wish for the success of your work, I am, Yours very cordially."

PARENT-TEACHER CONVENTION

The closing day of the convention of the First District Congress of Mothers and Parent-Teacher Associations in Los Angeles Friday was largely attended by representatives of the Glendale Parent-Teacher associations, and all report the convention a great success. Following the recommendation made on Thursday by Mrs. Florence S. Kurtz of Glendale, the convention passed resolutions urging that German children in the public schools be treated with uniform kindness by the teachers and other pupils. After much discussion it was finally decided to table the resolution favoring placing the Bible in the public schools. Resolutions were passed for compulsory physical training in the public schools, to stand by the President in his effort to bring about world peace and recommending the establishment of a state farm for the rehabilitation of unfortunate women. Mrs. P. S. McNutt had charge of the parliamentary work of the day, showing rare ability as a parliamentarian.

Officers were elected Friday. Mrs. Florence Galentine holds over another year as president and the other officers elected are as follows: Mrs. F. E. Tyson, first vice president; Mrs. Lincoln G. Backus, third vice president; Mrs. H. E. Archibald, fifth vice president; Mrs. Richardson D. White of Glendale, recording secretary; Mrs. Pearl Minert, financial secretary; Mrs. E. L. Volk, auditor.

Mrs. Florence Galentine, president First District Congress of Mothers, and Mrs. C. C. Noble, president of the Los Angeles Federation, left this morning for Washington D. C., to attend the national convention of the Congress of Mothers.

TO THE PRESIDENTS

Of Every Secular Society or Association in Glendale.

This evening at seven-thirty, you are officially invited to attend an adjourned meeting of the Glendale Auxiliary to The Los Angeles Chapter of The American Red Cross society; at the home of its President, Mr. John Hyde Braly, 205 North Brand Boulevard.

You are ex-officio directors of said Glendale Auxiliary, so made in its original organization.

There is much to be done, and your co-operation is needed, and earnestly asked.

New conditions face our beloved city; conditions no. yet realized by many of Glendale's best citizens.

As was said by Mrs. Hutchinson at the organization meeting in the Glendale Union High School ,no words of praise are needed by The Red Cross Society.

To work with it and for it is a privilege.

Will not as many Presidents as possibly can, attend that meeting?

The Glendale Auxiliary to Los Angeles Chapter.

By WALT LENOIR CHURCH.
Chairman Publicity Committee.

AT STATE CAPITAL

MANY APPROPRIATION BILLS—WANT ROAD AS MILITARY NECESSITY

SACRAMENTO, April 14.—Bills that are up to the governor today, having passed both houses of the legislation, include:

Baker's bill prohibiting the use of police photographs, finger-prints and Bertillon measurements by anyone excepting the police; Smith's bill giving the water commission the right to refuse a permit for private appropriation of water where public necessity makes the water more useful for other purposes; Satterwhite's bill empowering the bank commission, in liquidation of banks, to levy assessments against members and stockholders; Hudson's bill providing protection on Pismo claims; Vicini's bills authorizing counties to employ a matron to care for female prisoners in county jails and to hire all the guards necessary in putting prisoners to work on roads; Harris' bill locating permanently to boundary line between Kern and San Bernardino counties.

Further appropriations decided upon by the legislature are:

For improving Marshall monument grounds in El Dorado county, $3500; for publishing constitutional amendments, $30,000; for fighting forest fires in the San Gabriel mountains, $5000; for Southern California state hospital, $150,000; for purchase of land Stockton state hospital, $60,000; for cottages at Stockton hospital, $50,000; for kitchen and bakery at Stockton hospital, $15,000; repairs, same hospital, $8000; for trades building, Whittier school, $20,000; for repairs at Whittier school, $20,000; for trades building and gymnasium at California school for girls, $39,000; for cottages, same school, $69,000; for printing school text books, $150,000; for improvements at Napa state hospital, laundry, power house, elevators and sewer, total of $32,000; for state railroad commission, $200,000; for rewiring of San Quentin prison, $32,500; for Los Angeles exposition support, $75,000; for Los Angeles normal school grounds, $20,000; Home for Feeble Minded, Southern California, $250,000; for agricultural pavilion at state fair grounds, $300,000; raise in state librarians salary to $5000; criminal identification bureau, $36,000; raise in insurance commissioner's salary from $4000 to $6000 a year.

Practically all the above appropriations were recommended in the budget of the state board of control.

Both branches of the legislature have approved the bill which will enable the state board of education to sell textbooks no longer fit for use in the schools. This bill originated with Arthur Wendering, read of the assembly, and will bring the state several thousand dollars a year.

A strong plea is being made for a state appropriation of $500,000 for a road along the ocean from Oxnard to San Juan Capistrano. It is provided for in a bill introduced by Senator Brown. Its construction is urged as a military necessity. The senate finance committee now has the bill under consideration together with some 25 other bills asking for road appropriations.,

GLENDALE PAINT AND PAPER CO. RECEIVES SCHOOL CONTRACT

The Glendale Paint & Paper Company, 419 South Brand Blvd. has just been awarded the contract for furnishing stationery supplies for the Glendale city schools for the coming year. There were eight firms bidding, four from Glendale and four from Los Angeles and other points. The contract amounts to about $2000 and the Glendale Paint & Paper company's bid was about $100 less than their nearest competitor. This firm has furnished the paper for the Glendale schools for the past five years. It now develops that they have a buying advantage that far exceeds that of their competitors which enables them to secure this and other desirable contracts, and those in need of such supplies as the Glendale Paint & Paper Co., carry will note this fact with interest.

HOME GUARD COMMITTEE

The Committee of twenty-five appointed to make plans for procedure in the organization and equipment of the Glendale Home Guards will meet Tuesday evening at the Chamber of Commerce room. All members of the committee are asked to note the evening of meeting, Tuesday, April 17

CURRENT TOPICS

DR. RUSSELL RECEIVES IMPORTANT APPOINTMENT—NEW WORK FOR WOMEN

The Board of Supervisors thoroughly aroused to the necessity of immediate action along the line of development and conservation of the food supply in Los Angeles county, yesterday apopinted a committee consisting of Dr. Jessie A. Russell, William Wood, county horticultural commissioner and F. E. Doty of the county efficiency commission to plan and carry out a campaign throughout the county. The definite plans and outline of work will be placed under the direct supervision of Dr. Russell who was invited to meet with the supervisors Friday afternoon. The men of the committee will give all possible aid through their departments. Mr. Doty immediately profferred to Dr. Russell the use of offices, stenographers, etc., in the Hall of Records, which will probably be accepted at a committee meeting called for today.

G. C. C. W. A. LIFE MEMBERSHIP

Those initials, if you please, stand for Glendale Chamber of Commerce Woman's Auxiliary. The name of the ever-ready helpers in any good work in Glendale to which their womanly aid is invited.

In more than one Glendale organization for the public weal, woman has been last at the Cross, but first at the Tomb and the Resurrection.

Two of Glendale's best known womanly workers have promptly responded to the invitation mailed to hundreds to become Life Members.

The first was Mrs. John Hyde Braly, whose husband was the second to answer the same call for life members in the Glendale Chamber of Commerce, Mr. Charles H. Toll being first.

The second "Life Auxiliary" is Mrs. Ella W. Richardson.

There is much that the G. C. C. Auxiliaries can do for Glendale's betterment, which would not otherwise be done.

It is an opportunity (not merely a duty, a word distasteful to many).

It will not be long before it will be quite an honor to be able to say: "I was among the first dozen Life Members of the Woman's Auxiliary to the Glendale Chamber of Commerce."

COMPLIMENT MRS. LINDER

Thursday afternoon a most delightful afternoon was spent at the home of Mrs. T. D. Ogg, 149 S. Kenwood street, in honor of Mrs. Margaret Linder who is to leave shortly for New York City to visit her son, Gregory Linder, and her sister, Mrs. Charles Lubbick, formerly of Los Angeles. The afternoon was pleasantly spent in conversation and games and in writing train letters. Near the close of the afternoon Mrs. Linder was asked to sit at the dining room table and little Miss Adrienne Lawrence and Master Donald Camphouse, both prettily dressed in white, carried in two large and heavily laden trays of flowers. Attached to each bouquet was a handkerchief, tokens of the love and estimation in which all hold the honored guest. At the close of this pretty ceremony, dainty refreshments were served. About forty-five ladies were present to do honor to Mrs. Linder.

DEATH OF BENJAMIN A. HUGHES

Benjamin A. Hughes, aged 69 years, departed this life April 12 at his late home, 5132 Simarron street, Los Angeles. He had been ill for a considerable length of time. The deceased was the father of Mrs. J. A. Wright, formerly of Glendale. The funeral, which was private, was held this afternoon at 2 o'clock at the Los Angeles crematory, the Jewel City Undertaking Company being in charge.

MISSIONARY CIRCLE

The Ladies' Missionary Circle of the First Baptist church held their regular monthly meeting Thursday afternoon at the home of the president, Mrs. V. H. Cowsert, 1450 Pioneer drive. Mrs. T. F. McCrea, sister of Mrs. Cowsert, gave a most interesting talk on Missionary Life and Work in China. Mrs. Wolfe also spoke of her daughter's work in China. Forty-four ladies were present. Delicious refreshments were served at the close of the program. Four new members were added to the society.

HOME PREPAREDNESS

Now is the time to plant, and planting is important, for a plant is like a child—there is much in giving it a good start.

Corn should be sown at the rear of the lot. The distance between the rows can be cut down a great deal if the gardener is careful. Two feet apart will be food enough. Golden bantam corn can be used four inches apart in the rows. Sow two rows as soon as danger of frost has passed. Cover two inches deep.

A week later sow two more rows and a week later two more, making six in all. When the plants are five inches high thin to stand one foot apart in the rows. For six rows fifty feet long three pints of seed will be needed. Cultivate constantly, but as the corn grows cultivate only close to the surface. Two rows of corn fifty feet long should produce nine dozen ears.

Smooth peas, which like rich soil, should come next. Sow these as soon as the ground is ready, but the wrinkled ones should be planted two weeks later. The peas should be placed two inches apart in the rows, which should be two feet apart for tall and eighteen inches for dwarf varieties.

Three plantings can be used in a row of beets. Early in the spring sow one-third of the row, first soaking the seed over night. Sow the seeds thin and half an inch deep. The second third can be planted in a week and complete the row a week later. When two inches high thin out to stand four inches apart. Each fifty-foot row will take an ounce of seed.

Radishes and carrots should be sown together for two reasons. Carrots are delicate and will not push through hard ground. The radishes will take them along. Spinach will serve the same purpose. The carrots should be sown a third of a row at a time, about ten days apart, each time with radishes.

MAKE THE RAILROADS EFFICIENT

Following the concessions of the railroads to organized labor and the big increases given to common labor, the railroads now ask advances in freight rates of from ten to fifteen per cent.

Fair-minded citizens know that with all other advances the cost of railroad service has advanced, such as cost of fuel, materials, lumber, steel, equipment and even higher cost of capital.

A thousand million dollars is needed in new capital to keep up the equipment of railroads, restore their tracks, enlarge their terminals, build new stations, and build needed extensions.

The newspapers talk glibly of loaning a billion or five billions of American capital to belligerent nations of Europe to destroy each other with, but have not a word to say about the needs of our transportation system.

The big cities have outgrown their yards and terminal facilities and the country has reached the stage of development where all the transcontinental railroads should be double-tracked.

With this and the greater need of saving coal and oil by using electric power comes the hostile attitude of the government towards developing the unused water powers of our country.

The Interstate commerce commission and every department of state and national government should be aroused to the need of active and friendly co-operation with our railroads to make them efficient.

A THOUSAND WOMEN ROOKIES IN CAMP MONDAY

"Prepare for National Service" is the slogan of the Women's Section of the Navy league to American women in the Second Encampment of the First National Service School, at Chevy Chase beginning Monday. One thousand women representing every state in the Union are gathering to-day for training, to sleep in army tents, live under military discipline for twenty days and be instructed for national service by doctors and nurses of the American Red Cross and non-commissioned officers of the army, navy and marine corps.

The government has recognized the value of this training by turning over to the committee in charge a government reservation of twenty-seven acres. Here the great encampment, which will be the largest camp for women ever held in the world, is pitched.

LABOR VERSUS POLITICS

The Labor Clarion of San Francisco does not believe in the great variety of compulsory labor legislation. "The faddists who are at the present time advocating all sorts of compulsion for the workers, such as compulsory arbitration, compulsory sickness insurance, compulsory military training, etc., as a general rule, know that they are not to be caught up in the clutches of the laws they so vigorously advocate."

The above quotation is significant because it is from one of the most radical and progressive organs of unionism.

The professional politician who advocates all kinds of compulsory labor laws not only injures industries, but injures the cause of labor.

The political reformer sees a chance to buy votes by advocating some form of compulsory labor legislation and he puts through a new law.

Those who toil are "caught up in the clutches of the laws," and the politician who put it over is looking for new bait for vote catching.

Listen to the birds and learn to sing. Try to catch and put into musical notation the clear, vibrant, joyous calls of the meadowlark and the mocking bird. Go where you will, in the big outdoors, land or water, and learn from the greatest music master in the world—Nature.

Here is the unique "teachology" of a brilliant Los Angeles woman who bids fair to catch the eye of the nation with her simple solution for developing one of the primal instincts of man-love of music. She is Carrie Stone Freeman, state chairman of music for the Los Angeles and Southern districts of the California federation of Women's clubs.

THE SIGN OF THE CROSS

The members and friends of the Central Christian church, Colorado and Louise streets, will have the privilege of witnessing Sunday night the dramatic interpretation of Wilson Barrett's masterpiece, "The Sign of the Cross." Mr. and Mrs. Rasmus have appeared in Glendale once before and those who heard them at that time will no doubt be at this service.

The Redlands, Calif., Review says of the recent work there: "The hundreds of auditors in the First Methodist church last evening held their breath in awed suspense as Mr. Rasmus led Stephanus the Christian martyr boy forth to his death amid the lions of a Roman amphi-theatre. As the lad who had plead with his friends that he was afraid to die, rose in the actual moment of peril to the stature of a moral hero, and cried out: "I go unterrified; the Christ is with me!" the audience responded both to the story and its masterly delineation with a wave of feeling that must have gratified the artist. For Mr. Rasmus and his wife are finished artists in every sense of the word. They are refined, self-restrained, always in perfect taste as is necessary when handling such sacred themes as theirs, and with an amount of good judgment in adapting their programs that is rare to find. The verdict of the large and enthusiastic audience was, "It could not have been better."

ROUGH ON AUTHOR

Mr. Pett Ridge tells a story against himself. He offered to send to a wounded soldier undergoing treatment in a hospital copies of his novels, but received the following reply:

"I am getting on fairly comfortable as I am, and if you don't mind I'd rather not do anything that's likely to throw me back."

Personals

Mrs. Walter Albert of 1458 Forty-eighth street, Los Angeles, visited friends in Glendale today.

Mr. H. McMaster of 129 Maryland avenue still continues to be seriously ill.

Attorney Ray L. Morrow of 430 Franklin court has moved his Los Angeles offices from the Hellman building to 718 Union Oil building.

Mr. Samuel Parker, who was taken suddenly ill last Tuesday, is rapidly improving. The attack was by no means as serious as was at first feared. He has suffered no pain and only slight inconvenience. He is resting quietly and comfortably at his rooms in the California apartments, hoping to be out again soon.

Mrs. H. C. Ackley and Mrs. Nanno Woods, director and president of the Glendale Garden Society, are planning to visit Pasadena on Monday, Sherer of Throop University and oth-Sheren of Throop University and other well-known leaders in reference to the movement inaugurated by Pasadena of turning vacant lots into cultivated spaces.

A double wedding took place this morning at 11 o'clock at the court room of Justice of the Peace Harry M. Miller of Burbank township, at 409 South Brand boulevard, Judge Miller tying the nuptial knot. Miss Frances Flores of Glendale became the bride of Richard Urquidez of Montrose and Miss Mildred L. Chapman became the wife of William P. Flores.

Mrs. J. Usilton of 1120 West Seventh street gave a charming four-course breakfast celebrating her birthday anniversary Thursday morning at 11:30. Yellow genista and orange blossoms were artistically combined in the beautiful table decorations. Covers were laid for Mrs. Frank Hester, Mrs. H. Lee Clotworthy, Mrs. Stephen Packer, Mrs. W. F. Nash, Miss Clara Ringer and the hostess. Following the breakfast Mrs. Usilton took her guests in to Los Angeles in her machine, to attend the matinee at the Orpheum.

Dr. and Mrs. Henry R. Harrower delightfully entertained a coterie of musical friends Thursday evening at their home, 312 East Broadway. The evening was spent in the enjoyment of music and dainty refreshments were served by the hostess. Several Scotch songs sung by Mr. Henry were especially enjoyed. Mrs. Bosserman played a number of her own compositions, and Prof. Miller also gave pleasing piano selections. Dr. Harrower contributed to the pleasure of his guests by a few vocal solos. The guests were Mr. and Mrs. LeRoy W. Bosserman, Mr. and Mrs. F. J. W. Henry, and Prof. and Mrs. G. B. Miller.

Seventy couples attended the Easter ball given at Masonic Temple last evening, which was one of the most delightful social affairs the younger set have enjoyed for some time. The Howdy band furnished music that could not be excelled, and with a perfect floor, the dancers regretfully saw the hours wane and the time for dispersing drawn near. Sidney Simons and Vincent Salmacia proved their ability as hosts and a most joyous good time was had by everyone. The feature of the patriotic decorations was an immense flag which was carried through the Battle of Gettysburg and was loaned for the occasion by A. H. Donecken of 205 East Tropico avenue, Tropico. The clever decorators were Misses Eloise Seamon, Lila Shea, Cecilia Lyons, and Ardis Heisler. The patronesses were Mrs. V. Price Brown, Mrs. A. W. Beach and Mrs. D. H. Smith.

Miss Bessie L. Field entertained the girls of her Sunday school class of the Presbyterian church, called the "T. I. C." at her home, 239 South Kenwood street, after the closing of school Friday afternoon, from 3:30 to 5:30. The regular meeting of the class fell on this date but as it happened to be the birthday of one of the members, Miss Ruth Gray, the meeting was turned into a party in her honor. Miss Field is a teacher in the Glendale high school, and the members of her Sunday School class are mostly members of the senior and junior classes in the high school, the honoree being a senior. The hours were merrily spent in games and each girl had brought a toy which was wrapped up and placed in a market basket and presented to Miss Gray, creating much amurement as she unwrapped each article. Dainty refreshments were served by Mrs. Field, who assisted her daughter in entertaining, Miss Field being obliged to use crutches in getting about as the result of a fall at the high school Thursday in which she strained a ligament in her left foot. Those present besides Miss Gray, the honoree, were Misses Bernice Haun, Helen Begg, Marjorie Smith, Irma Wills, Annabel McClellan, Evangeline Quackenbush, Erma Wooldridge, Marie Maier, and Mary Wilkins.

VANDALS CUT CHOICE BLOSSOMS

Last evening vandals went into the front yard of Mrs. H. C. Ackley at 210 South Kenwood street and cut the blossoms of some choice iris growing there. It was not the work of children, as evidenced by the footprints and the fact that the flowers had been deliberately cut off with a knife. Mrs. Ackley, who is a member of the Glendale Garden Society and takes a great pride in her flowers, has been very generous, giving freely of these products of her thought and care whenever asked. But to have your work in the garden and your interest in beautifying your surroundings rewarded by thievery is not at all pleasant any more than it is right and just. Mrs. Ackley has reported the matter to the police so that they may be on the alert and investigate before other gardens are stripped of their choice blooms by vandals in the night.

ENTRE NOUS JOIN RED CROSS

At a special meeting of the Entre Nous club of Glendale, which was held at the home of the president, Mrs. John T. Crampton, 1011 Chestnut street, it was voted unanimously to devote their meetings to Red Cross work, the eighteen members entering the Glendale branch of the American Red Cross in a body, to work as a unit.

At the next meeting to be held at the president's home on Wednesday, April 18, plans will be completed and work begun.

YOUR CROWNING GLORY

The crowning of a beautiful city, like Glendale, is its beautiful women.

The crowning glory of any woman, however beautiful, like ——? (look in your mirror). Of course it is her beautiful hair. "Crowning glory" —not only glory.

What even the loveliest haid needs is a lovely face for it to crown. But every face has a loveliness of its own —if brought out.

What even the loveliest face needs is a skin one loves to touch.

Such skin is sure to be good to look at.

But how about your hands? You are a brave woman if you dare trust them to Nature alone.

There is something deeper than a fairy story in "Cinderella."

The fairy story of one age becomes the scientific achievement of the next.

Cinderella's Fairy was the Heaven-sent combination of Hairdresser, Masseuse, and Manicure.

But for those divine arts, the dress brought for the little ash-girl would have but emphasized her ashiness.

Now all desirable things gravitate to Glendale.

It is worth while for a woman who wishes to appear at her best to consult Mamselle Elsie Martin, at her new Beauty Parlors, in Easton Hotel Building, 327½ Brand Boulevard. Her diploma from a College of Beauty Culture certifies to her science, art and efficiency. "There are tricks in all trades." Of course. Therein is their value. Mamselle Martin has a fairy-like proficiency in the priceless secrets of her beautifying art. Why not use them for your personal benefit.

"No War-Rider"

There is no war-clause of any kind in "Provident" policies now issued.

Although nearly all the directors of the Co. are still Quakers, and do not believe in war, no body of men is more patriotic.

When nearly all Life Companies are charging excess premiums up to $100 per thousand in case the insured should go to war, it behooves all young men and their fathers to get under cover while they can do so at regular rates.

TWO RARE SPEAKERS

The First Baptist church is providing a rare treat for the citizens of Glendale in the services of next Sunday. In the morning the pulpit is to be filled by Mr. S. J. Moore of Toronto, Canada, an old friend of the pastor, who, at his special request, will speak on "The Position and Power of the Church in War Time." As one of the leading financiers of the Dominion, Mr. Moore has been in close touch with the Government, and is thus able to speak with authority on the inside situation of the war in its different phases. Just before leaving his home, he entertained a number of soldiers fresh from the front, and incidentally will give some thrilling experiences not generally known. He will also recount the the testimony of eye witnesses to the now famous

story of the presence of angels on the battle-front at Mons. A rare treat is in store for those who can plan to be present.

Another eminent speaker is to appear in the evening in the person of Pastor W. W. Catherwood of Covina, where he has been pastor for the past seven years; and whose church, under his effective ministry is in a constant state of revival. He is an Irishman with all the fervor of the Celtic nature thoroughly consecrated to the cause of Christ in Southern California where his whole ministry has been spent. He will speak Sunday evening on "Why and How I Became an American Citizen," and this will be but the beginning of a series of discourses which he will give each night for the following two weeks or more, Saturday alone excepted.

The music will be led by a fine chorus choir under the able leadership of Mr. and Mrs. C. H. Cunningham. While held in the Baptist church, the meetings are designed for community interest and all the pastors and Christian people of the different churches are invited to feel at home and participate in the services to which a cordial invitation is extended to the general public.

WOMEN WILL ORGANIZE

Mrs. William Herman West who was named as chairman of the Woman's Auxiliary of the Home Guards at the big mass meeting Wednesday evening announces that a meeting will be held at the High school, Monday afternoon at 3:15 to consider organization. It is expected that the women will be as enthusiastic as the men for home protection in the present crisis, and as Mrs. West is a splendid leader and is filled with patriotic enthusiasm, Monday afternoon's meeting promises to be a rousing one.

NIGHT SCHOOL MASS MEETING

All persons interested in the organization of a Night School to be conducted by the Glendale Union High School are urged to be present at a mass meeting held under the auspices of the High School P. T. A. next Monday evening for the purpose of informally discussing the need of such a school—the courses to be offered, and the wishes of the patrons of the Glendale Union High School district relative thereto.

If you or any of your friends have an interest in this movement be sure to come and pass the word along to others. Your suggestions are desired and your advice solicited. The meeting should be able to present to the board of trustees some valuable information upon which to base their action in the matter.

The meeting will be held in the Auditorium of the High School next Monday evening April 16 at 8 o'clock.

Mr. R. G. Van Cleve who has been Principal of the Los Angeles Night High School for several years will tell of the work being done in the city schools and will be glad to answer questions concerning the Night School work.

If interested, do not fail to come and feel perfectly free to participate in the informal discussion of this important undertaking and its needs.t2

Don't be discouraged for there are from 1.0 to 500 Lutheran families within this community and vicinity. We can make our work spin and hum for the Lord and righteousness, if we all get behind it.

Meeting in a hall or private house is no longer a reasonable excuse for a single person refraining to add his strength to our most glorious work. Join in and help those men and women who have borne the heat and burden of the day. Encourage those who have stood by the work in the day of small things.
